

Discover the Benefits

HOW DO I JOIN?

Joining the ECC is simple. Contact the the Club by calling or emailing us. We will provide you with all the details regarding membership. You can complete an application and return it to the club office.

All fees will be provided prior to joining and completion of your application. This will include an initiation fee (one time charge for joining) and the first month's dues of your selected category. Fees are paid monthly by check, draft or credit card. No additional fees will be imposed unless voted on by the entire membership.

WHAT CHARGES CAN I EXPECT TO SEE?

The membership dues are charged monthly and provide usage of the clubhouse and facilities. Dining and bar charges are billed on your account each month with your dining charges going towards meeting your Food Minimum. Depending on your membership category, there may be charges for golf rounds and cart fees should you choose to play. Special events vary as to the cost. Typically, events involving food and beverages will have a charge. Lastly, the ECC collects a capital improvement fee quarterly. The fee is used to oversee the costs associated with the improvements and maintenance of major club projects.

WHAT HAPPENS IF I DECIDE TO RESIGN?

We never want to lose a member, but situations do arise. In this case, we only ask that a member give us 30 days written notice. The Club will bill you for your final dues and charges. You will be released from any future obligations.
