Our billing has gone digital! Our test run of emailing out statements was a success and we plan to continue to email bills each month. If you are still receiving a paper copy, it is because we do not have a current email address for you. If you would like to save paper, stamps, and receive your bill earlier, please contact the office with your email address and go digital! We also made a few changes to the statement itself. You asked and we listened. The dates on your statement will now reflect the date you charged and not the date we closed the books. This should hopefully clear up any confusion you may have about your bills.

Please extend a warm ECC welcome to the following new members: Gloria Buie, Courtney and Andrew Champion, Brigitte and Dean Weatherford.

We would like to hear from our members. Here are some questions and suggestions (put answers in the suggestion boxes):

- As our pool season comes to an end and football season begins, what activities would you like to see at the club?
- What is your favorite fall beer? Is there a beer that you love that we do not have in our bar?
- What is your favorite dish that Chef Audrey makes?

Please encourage others to join your club. Membership packets are available in the office.

Report from the 2019 Annual Membership Meeting

Approximately 80 members attended the August 29th Annual Membership Meeting. A new feature this year was a Meet and Greet complete with name tags which allowed new members and longer time members to mix and mingle. It is always delightful to see a crowd at our Club!

Following the Meet and Greet the business meeting took place. President Britt Washington welcomed everyone, acknowledged Board members Sallie Garrison and Chris Mitchell who had joined the Board since the March membership meeting.

Mary Barrows provided updates on the Club status since the March meeting. Treasurer Bennett Junkin provided the Financial Report and details about the negotiation of the Midsouth bank loan and new payment. Sallie Garrison shared some proposed solutions for success which included using the Club as well as bringing in much needed new members.

Outgoing Board members Jay Jaxon, John Martin and Britt Washington were recognized and applauded for their years of service. The candidates for the Board Charlotte Booth, Mark Campbell, Dean Harlamert and Janice Vick were then introduced and thanked for their willingness to serve. A request was made for nominations from the floor and there were none. While voting was taking place and ballots counted comments and questions were heard.

As soon as available the results of the voting were shared by President Britt Washington. The extension of the Capital Projects and Maintenance fund passed by a vote of 53-4. The three new Board members elected were Charlotte Booth, Mark Campbell and Dean Harlamert. The new officers will be elected at the next regular Board meeting set for September 10th.

Members who were unable to attend the meeting are encouraged to pick up the handout and the financial information from the office. The handout has information about accessing the Members Only section of the ECC Website. The minutes from the meeting will also be posted on the website after they have Board approval.

Dear Ashley,

I made my first visit to the club last night. I was a bit apprehensive about going in by myself. I ordered a drink and sat down. Within minutes three members came over, introduced themselves and asked me to join their table. Soon several friends I had not seen in a long time came in and every one of them welcomed me back to the club.

We had a large table at dinner with good conversation, and the service was excellent. I ordered the salmon cake special and it was very good. I have to tell you, I had a most pleasant evening.

It's good to be back!

From YOUR Suggestion Boxes…

Now that our newsletter is longer, we are able to include much more information than previously. We have been receiving good suggestions in the boxes and from now on we will share them monthly. If you think something is a good idea, let us know. Here are a few that we have received since the boxes have been in place -

- Send specials out earlier in the week.
- A good Christmas or Birthday present for a parent on a fixed income or a widowed mother or father would be a one year membership to ECC. The Club is essential for older single women to have a social life.
- A place for kids to hang out while parents are eating or in the bar.
- Menu suggestions were made and will be shared with Chef Audrey.
- Movies shown in the bar, outside or in the ballroom

We understand that most suggestions will be made anonymously. However, keep in mind that if you would like a personal response to your suggestion and why or why not it was acted upon, you will need to include your name. We will respond personally.
